must ensure that they obtain a signature of such duly authorised agent, employee or Location representative of the Authority, which will act as proof of delivery.

- 2.6 Unless agreed in advance with the Authority, if the Goods are delivered more than 5 Days before the date specified in the Order or the Purchase Order (or such other date which the Contractor and the Authority have agreed in writing), the Authority shall be entitled at its sole discretion to refuse to take delivery or to charge for insurance and storage of the Goods until the contractual date for delivery.

- 2.12 In the case of any Goods supplied from outside the United Kingdom, the Contractor shall ensure that accurate information is provided to the Authority as to the country of origin of the Goods and shall be liable to the Authority for any additional duties or taxes for which the Authority may be accountable should the country of origin prove to be different from that advised by the Contractor.
- 2.13 Where the Authority agrees in writing to accept delivery by instalments the Contract will be construed as a single contract in respect of each instalment. Failure by the Contractor to deliver any one instalment may allow the Authority at its option to treat the whole Contract as repudiated depending upon the circumstances of the non-delivery, such option not to be unreasonably invoked.
- 2.14 Any arrangement to deliver the Goods where carriage is to be charged separately or any arrangement by which the Goods are collected by the Authority in return for a discount on the Contract Price shall be recorded in writing and signed by a duly authorised signatory on behalf of the Authority. Where due to an emergency such arrangements cannot be committed to writing and signed off as aforesaid the Parties shall confirm such arrangements in writing as soon as possible thereafter.

- 2.15 Any access to premises and any labour and equipment that may be provided by the Authority in connection with delivery shall be provided without acceptance by the Authority of any liability whatsoever and the Contractor shall indemnify the Authority in respect of any actions, suits, claims, demands, loss, charges, costs and expenses which the Authority may suffer or incur as a result of or in connection with any damage or injury (whether fatal or otherwise) occurring in the course of delivery or installation to the extent that any such damage or injury is attributable to any act or omission of the Contractor or any of his sub-contractors.

3. Time

- 3.2 Where the time of delivery has been agreed by the Parties and stated on the face of the Order or the Purchase Order or otherwise agreed in writing (and for the avoidance of doubt not where delivery is to be made within 14 Days of receipt of the Order or the Purchase Order because no time for delivery has expressly been agreed) then time for delivery shall be of the essence and without prejudice to any other right or remedy of the Authority or any Beneficiary.
- 3.3 The Parties may alter an agreed time of delivery provided that a minimum of 3 Days' notice is given to the other Party in writing.
- 3.4 Failure by the Contractor to deliver the Goods or any part of them within the time agreed in accordance with Clause 3.1 shall entitle the Authority (at its option) to withdraw such Goods from the Order or the Purchase Order to release itself from any obligations to accept and pay for such Goods, to purchase other goods of the same or similar description to make good such default and recover from the Contractor the amount by which the cost of purchasing other goods exceeds the amount that would have been payable to the Contractor in respect of the Goods replaced by such purchase and all costs incurred by the Authority in purchasing such alternative goods, provided that the Authority uses all reasonable endeavours to mitigate its losses in this respect, all without prejudice to the Authority's other rights and remedies. Three consecutive failures to deliver within the time agreed in accordance with Clause 3.1 shall entitle the Authority to terminate the Contract, and recover costs in accordance with Clause 23.

4. Contract Price and Payment

- 4.1 In consideration of the Contractor's due and proper performance of its obligations under the Contract, the Contractor may charge the Authority the Contract Price in accordance with this Clause 4.

Where the Parties agree delivery by instalments, the Contractor may render an invoice for each delivered instalment. Invoices shall be sent by the Contractor in accordance with the Authority's Standing financial instructions, as notified to the Contractor by the Authority.
- 4.4 The Authority shall pay the Contract Price to the Contractor, by BACS (Bank Automated Clearing System) if the Authority so chooses, within 30 Days of the receipt of the Goods or a valid invoice (rendered in accordance with Clauses 4.3 and 5.2), whichever is later.
- 4.5 The Authority shall be entitled to deduct from any monies due or to become due to the Contractor any monies owing to the Authority from the Contractor.
- 4.6 Except where otherwise stated in the Order or the Purchase Order, the Contract Price is exclusive of VAT that shall be payable, if applicable, by the Authority in addition to such Contract Price at the rate prevailing as at the tax invoice date. The invoice provided to the Authority by the Contractor in accordance with Clause 4.1 shall show the VAT calculations separately.
- 4.7 The Authority shall not be responsible for the payment of any charges for Goods supplied in excess of the Goods required by the Order or the Purchase Order or any variation of it, unless the requirement for such additional Goods has been authorised in writing by the Authority by a further Order or Purchase Order.
- 4.8 No payment of or on account of the Contract Price shall constitute any admission by the Authority as to proper performance by the Contractor of its obligations.
- 4.9 In the event of the Authority breaching Clause 4.4, the Contractor shall be entitled to charge interest on the outstanding amount owed by the Authority in accordance with the Late Payment of Commercial Debts (Interest) Act 1998.
- 4.10 Subject to Clauses 4.11 and 4.12, the Contract Price shall not be subject to any increase whatsoever by the Contractor during the Contract Period.
- 4.11 In the event that the Contract is varied under Clause 20 in such a way as to affect the Contract Price and if agreement between the Parties cannot be reached on the adjustment to the Contract Price within 3 months of such variation taking effect under Clause 20 both Parties shall jointly act to resolve the dispute in accordance with Clause 21 to determine the amount of the said adjustment to the Contract Price.
- 4.12 If the adjusted Contract Price is not so agreed or certified until after such variation under Clause 20 has taken place, the Authority shall continue to pay the Contractor the Contract Price at the rate current prior to the variation but on determination of the amount of the said adjustment shall pay to the Contractor or be entitled to recover from the Contractor as the case may be such sum if any as is equal to the difference between the amount which should have been paid in accordance with the adjusted Contract Price and the amount which was actually paid.

- 4.13 Where the Contract is entered into pursuant to a Framework Agreement, in the event that the Authority or the Procuring Authority on behalf of the Authority notifies the Contractor in writing that the Authority or the Procuring Authority on behalf of the Authority is aware that the Contractor is charging another Beneficiary under the Framework Agreement (“the other Beneficiary”) for the provision of any of the Goods at a lower rate (“the Lower Rate”) than the rate payable by the Authority under the Contract and the Contractor cannot provide to the Authority or the Procuring Authority on behalf of the Authority within the period of 20 Days from receipt of such written notification satisfactory evidence that this is not the case, the Contractor shall be required to:-
4. pay to the Procuring Authority or (at the option of the Procuring Authority) to the Authority such sum as is equal to the difference between the total sum paid by the Authority under the Contract for such Goods from the date when the Lower Rate was first due by the Other Beneficiary and the sum which would have been due by the Authority from such date if such Goods had been charged at the Lower Rate (“the Overpayment”);
 5. the Overpayment shall be made by the Contractor to the Authority or the Procuring Authority on behalf of the Authority, whichever is applicable, within the period of ten Days following the expiry of the said 20-Day period, failing which interest shall be due by the Contractor on the outstanding amount due in accordance with the Late Payment of Commercial Debts (Interest) Act 1998;
- 4.14 The Parties acknowledge that where the Contract is constituted under a Framework Agreement, the said Framework Agreement contains provisions similar to the provisions of Clause 4.13 hereof entitling the Procuring Authority to recover any Overpayment due by the Contractor to each Beneficiary which has placed an order under the Framework Agreement. Where the Procuring Authority has opted to enforce such provisions under the Framework Agreement and recovers such Overpayments on behalf of such Beneficiaries, the Authority may not in addition enforce the provisions of Clauses 4.13.1 and 4.13.2 hereof.
- 4.15 Where the Contractor is required to pay the Overpayment to the Authority or to the Procuring Authority on behalf of the Authority in terms of the said Framework Agreement or Clause 4.13 hereof the Contractor shall be required to reduce the rate payable under the Contract to the Lower Rate in respect of all future payments due by the Authority under the Contract in respect of such Goods. The Authority and the Contractor shall formally vary the Contract to record such reduction in the Contract Price in accordance with Clause 19 hereof.
